TAMMANY GIVEN CRUSHING BLOW

Fusionists and Upstate Dis-
tricts Administer Severe
Rebuke to Tigers.

BIG MITCHELL PLURALITY

Sulzer Re-Elected to Public
Office—Many Legislators
Who Voted to Impeach
Defeated.

New York, Nov. 5.—Each suc-
cessive recapitulation today affirmed
the crushing defeat of Tammany in
yesterday's elections. The organiza-
tion was not only engulfed in a plu-
rality of more than 110,000 votes with
which the fusionists elected John
Purroy Mitchell mayor of New York
City but in many upstate districts a
severe rebuke was administered to
the Tammany Democracy, that has
been in control of the state since the
days of Governor Hughes.

William Sulzer, deposed by Tam-
many's exposure of his unlisted cam-
paign contributions, was re-elected
to public office, less than three weeks
having intervened since he was re-
moved from the governor's chair. He
will return to Albany in January as
a member of the assembly. Many
of the legislators who voted to im-
peach met defeat, with the result
that he will sit in an anti-Tammany
house. On the basis of incomplete
returns it was estimated that the
next assembly will be composed of
85 Republicans, 17 Progressives and
48 Democrats. Many of the latter
were said to be men of Progressive
or Independent tendencies.

Crushing Plurality.
The fusionists won the majority
contest in New York with a plurality
almost as large as that which the
Tammany chieftain, Charles F. Mc-
Carthy, had said yesterday would elect
Edward E. McCall. Returns were
still lacking from a few districts
early today, but the Mitchell plu-
rality of 110,000 to 115,000 was certain.
The borough of Brooklyn showed a vote
of 58,000 toward the plurality, or
more than half of the advantage
which spelled the Tammany rout,
while Manhattan gave Mitchell a
plurality of about 20,000.

With much reduced pluralities, but
by a safe margin, the fusionists
elected William A. Prendergast
comptroller of the city and George
McAneny, president of the board of
aldermen. They kept out of Tam-
many's hands the presidency of the
three principal boroughs, Manhat-
tan, Brooklyn and the Bronx, and
thus increased the anti-Tammany
majority on the board of estimate,
which controls the city's expendi-
tures. The fusion vote on the board
will be fourteen to Tammany's two.

A fusion majority in the board of
aldermen was also elected.
The Democratic congress men were
elected in the city—from the thir-
teenth and twentieth districts. From
the former, George W. Lof was chosen
to succeed the late Timothy D.
Sullivan. Jacob H. Cantor was elected
in the twentieth to succeed Francis
Burton Harrison.

Complete City Returns.
Complete returns from the mu-
nicipal election show that John Pur-
roy Mitchell, the fusion nominee, led
Edward E. McCall, Tammany, by
121,269 votes, Charles Edward Rus-
sell, Socialist, polled a total of 32-
103. McCall ran behind his ticket in
all five boroughs. The recapitulation
follows:

Borough.	Dem.	Fusion.	Soc.
Manhattan	10,756	130,452	11,678
Bronx	25,804	46,941	5,676
Brooklyn	77,905	136,596	11,560
Queens	20,299	33,451	2,858
Richmond	6,915	8,447	247
Totals	234,679	355,888	32,109

The election of Willard Bartlett,
Democrat, and Independence League
as chief judge of the state court of
appeals, was conceded today at Re-
publican state headquarters. It was
estimated that he had defeated Wil-
liam E. Werner, Republican, by a
plurality of 7000.

Frank H. Hiscock, the Republican
and Independence League candidate
for associate judge of the same court,
was elected by a safe margin.

R. Edgerton, Republican, was elected

lam, Democrat, was elected mayor of

mayor of Troy today by a plurality
of 4426.

today following a spirited four-corn-

for re-election by Harry N. Hoffman,
fusion candidate, by 300.

SULZER MAY BE NEXT SPEAKER

Division in Assembly Might
Lead to Deposed Governor
Occupying Chair.

Albany, N. Y., Nov. 5.—It being
generally conceded around the capitol
today that the Republicans would
have a safe majority in the state
assembly, speculation turned to the
probable nominees for speaker.

Harold J. Hinman of Albany, mi-
nority leader in the present assembly
was generally regarded as the choice
of State Chairman William Barnes
for the speakership. Hinman was re-
elected yesterday by the largest
plurality he has ever received.

If there was no internal dissen-
sion in the Republican party, Hin-
man probably would win easily, but
not all of the Republicans are pleas-
ed with the rule of Mr. Barnes. With
their eyes on the day when they
shall measure strength with the state
chairman, in an effort to oust him
from the state committee, the insur-
gents are desirous of preventing him
from installing his speaker in the
next assembly.

Insurgents Oppose Barnes.
There seems little doubt that the
insurgent faction will decline to caucus
with the regular Republicans and
will nominate a candidate of their
own.

Friends of William Sulzer profes-
sed to see a possibility of his being
presiding officer of the assembly. It
was not generally believed, however,
that he would be a figure of much
consequence in the race. His only
hope, it was generally conceded, lay
in a division of the assembly into
three almost equal parts. If by any
chance Sulzer should show up as a
danger factor in the race, the Tam-
many Democrats would quickly join
forces with the Republicans and se-
lect almost any candidate to defeat
the former governor.

FESTIVITIES IN LOS ANGELES

Thousands of Citizens Cele-
brate Lifting of Monster
Flood Gates.

CLIMAX TOMORROW

City to Dedicate \$500,000
Memorial Fountain—
Closing Act.

Los Angeles, Nov. 5.—After accom-
plished the feat of bringing its mu-
nicipal water supply through con-
duits a distance of more than 250
miles—a task no other city ever at-
tempted—Los Angeles began today
two days of festivities today in celebra-
tion of its achievements.

Thousands of citizens went out this
morning to the head of San Fernando
valley, 23 miles north of the city, and
saw General Adna R. Chaffee lift the
gates which turned into the monster
San Fernando reservoir a flow which
assures to the city a supply of 260
million gallons of water every 24
hours.

Tomorrow the celebration will be
continued, the climax coming with
the dedication of a fountain costing
half a million dollars to commemo-
rate a work that entailed eight years
of labor and an expense, including a
project to develop 47,000 horse power,
in excess of thirty million dollars.

WOMAN WHO WANTED TO SUE T. R. IS HELD

(c) Underwood & Underwood.
Mrs. Ida Von Claussen.

Mrs. Ida Von Claussen, who jumped
into the limelight a few years
ago by threatening to sue President
Roosevelt for a million dollars be-
cause the American minister to
Sweden wouldn't introduce her to
King Oscar, has been arrested in
New York on a blackmail charge.
Mrs. Von Claussen is alleged to have
written a letter to Attorney Charles
Stratten of New York, threatening
to shoot him because a divorce he
secured for her in South Dakota was
not good in England.

FINAL ARGUMENT IN TRUST SUIT

McReynolds to Sum Up For
Government—Defense De-
mands an Acquittal.

MISTAKES ADMITTED

Division Managers Play Game
Without Limit or Control—
Ungentlemanly Methods.

St. Paul, Minn., Nov. 5.—Counsel
for defense in the government's suit to
dissolve the International Harvester
company, shortly before noon today,
concluded their final arguments be-
fore the United States district court,
and Attorney General McReynolds
prepared to sum up for the federal
side, beginning at 2 o'clock.

John P. Wilson of Chicago, in con-
cluding for the defense, did not de-
mand acquittal, but asked that the
court dismiss the case without prej-
udice to either side, thus reserving to
the government the right to inter-
vene at any time in the future.

Attorney General McReynolds con-
cluded his argument at 3 o'clock this
afternoon. He asked the court to
enter an interlocutory decree, declar-
ing the Harvester company a monop-
oly. He then asked that when such
decree had been entered the defend-
ants be given reasonable time to submit
a plan of reorganization.

Railroad officials at division head-
quarters at Tucson also received re-
quests for immediate statements re-
garding the facilities they could fur-
nish for movement of troops.

Army Headquarters Mystified.
San Francisco, Nov. 5.—Army head-
quarters of the Pacific division knew
nothing here today of the reported
troop movement at Nogales. It was
thought that possibly the report might
refer to an exchange of troops with
Fort Ethan Allen, Vermont, already
ordered, but the phrase "equipment
for field service" was mystifying.

The Southern Pacific department
here in charge of moving troops had
no news of any contemplated move-
ment.

Division headquarters of the South-
ern Pacific at Tucson reported to the
executive offices here at noon in re-
sponse to a query that no inquiry
had been made there as to the com-
pany's facilities for handling troops.

TWO WHITE ROSES GREATLY PRIZED

Chicago, Nov. 5.—The funeral of Ed-
ward Morris, the packer, was held
here today.

The display of floral tributes was
in keeping with the wealth and promi-
nence of the deceased, but the most
prominent position was given two
white roses to which was attached a
card reading:

"I thought more of Mr. Morris than
any man in the world.
"A poor man."

NATIONAL BANK CLOSES

Washington, Nov. 5.—Acting
Comptroller of the Currency Kane
received word today from National
Bank Examiner Seybold of the clos-
ing by directors of the First National

DEMOCRATS WIN MANY VICTORIES

Landslides in Maryland, Mass-
achusetts and New Jersey
and Tammany Defeat.

PRESIDENT PLEASED

Election Results Considered as
Endorsement of the Ad-
ministration Policies.

Democratic governors were elected
yesterday in each state where this
issue was filed, Massachusetts, New
Jersey and Virginia. With the ex-
ception of New York, where the
Tammany democracy was severely
rebuked, more Democratic than Re-
publican victories were recorded at
the polls.

Maryland elected a United States
senator, Blair Lee. Of the four con-
gressmen elected throughout the
country, three were Democrats. The
exception was C. D. Falge in the
third district, Massachusetts.

In Massachusetts there was a
Democratic landslide and Lieutenant
Governor David I. Walsh was chosen
governor by a plurality of 53,691, the
largest ever given a Democratic
candidate for the office. Mr. Walsh
arrived with his wife and family
yesterday morning from New York
City, where he had been in the
Democratic campaign on the state
ticket, with the possible exception of
the attorney general.

Little Solace for Tammany.
The Tammany democracy in New
York state was condemned in a man-
ner which left little solace to the
leaders. John Purroy Mitchell, fu-
sionist, was elected mayor of New
York, leading Edward E. McCall, the
Tammany candidate, by 121,269
votes. William Sulzer, deposed gov-
ernor of the state, was returned to
the assembly from New York City.
The New York state assembly will
be safely Republican.

In New Jersey, James F. Fielder,
Democrat, was elected governor with
a plurality of about 22,000 over the
Republican candidate, and the Dem-
ocrats will control both houses of
the legislature.

President Congratulates Victors.
Washington, Nov. 5.—President
Wilson made no official comment to-
day on the Democratic victories in
New Jersey, Massachusetts and
Maryland, but told friends he was
much encouraged because in all three
states the tariff and currency were
issues, and he felt the administra-
tion's policies had been upheld.

The president already had sent a
telegram to Mr. Fielder, the victor
in New Jersey, and dispatched other
messages today.

To David I. Walsh, elected gov-
ernor in Massachusetts, he said:
"My heartfelt congratulations. It
was a splendid victory finely won."

To Blair Lee, Democrat, elected
United States senator in Maryland,
the president wired:
"I congratulate you and the party
most warmly. The victory was com-
plete."

The president took a great inter-
est in the various municipal elections
and sent to his personal friend Mayor
Newton D. Baker, re-elected in
Cleveland, the following message:
"Please accept my warmest con-
gratulations. It did us all good to
hear of your victory."

INDIANA COMPLETE RETURNS
Indianapolis, Ind., Nov. 5.—Com-
plete unofficial returns compiled
this morning from yesterday's city
election in which Joseph E. Ball,
Democrat, was chosen mayor of In-
dianapolis by a plurality of 5538
show Charles A. Bookwalter, Repub-
lican, ran 199 votes ahead of Dr. W.
H. Johnson, the Progressive candi-
date.

Out of seventy-four cities and
towns in the state from which re-
turns had been received this morn-
ing, the Republicans elected seven-
teen mayors and the Progressives
four. In all others the Democrats
won.

FRANCE MAINTAINS A NEUTRAL POLICY

Paris, Nov. 5.—The French foreign
office was asked informally today by
the Mexican foreign office if it was
disposed to mediate between the
United States and Mexico.

The French government has taken
the attitude that it will do nothing
until further advised as to the policy
of the United States towards Mexico
and then nothing which might be un-
welcome.

CROP NEWS SERVICE WILL BE EXTENDED

Washington, D. C., Nov. 5.—Exten-
sion of the telegraphic crop news ser-
vice by the department of agriculture
to the newspapers in all the states
has been decided upon. Beginning
with the November crop report, crop
conditions in each state will be wired
to the central weather station within
that state for distribution.

This is an extension of the service
that was established in nine states as
an experiment. It has been found
satisfactory. Under the plan adopt-
ed the general summary of the crops
will be issued in Washington for dis-
tribution by telegraph. The condi-
tion reports for the different states,
however, will be telegraphed to the
central weather station within each
state for immediate distribution by
mail. It has been found that these
state condition reports are of great
value to the farmers and producers in
marketing their product.

These crop reports will not be sup-
plied to individuals, but are only
